Personal Details

Name: _____

Form: _____

Learners who are motivated, independent, creative and resilient.

Caring, dedicated, kind and broad-minded people.

Successful, confident and ready for their futures.

The first two years at LCS will be full of new and exciting experiences. As well as settling into your new routines, new groups and new lessons, we want you to challenge yourself to develop your personal characteristics.

In your second year at LCS, there will be a wealth of different opportunities to develop yourself, and we ask that you challenge yourself to become as well rounded and confident as possible.

Over the next few pages are a set of personal development challenges to support your growth and transition into the LCS Way.

In addition to curriculum events such as meeting authors and animals, there are opportunities to attend clubs, join groups, play for teams and volunteer.
