Our Vision & Aims

We are an inclusive school which means we are determined to ensure all students achieve the best outcomes possible. Our aims of "Learning, Caring and Succeeding" are the basis for all that we do and students are at the heart of our everyday practice. Looking to improve further is always key. Our school priorities are shared with staff and Governors and our community of parents/carers and students have a say in what we are and what we want to be.

Ofsted

The school was inspected in October 2022 and was judged as 'Good' in all areas with 'Outstanding' Sixth Form provision.

The full report can be accessed here: [HTTPS://FILES.OFSTED.GOV.UK/V1/FILE/50201266](https://files.ofsted.gov.uk/v1/file/50201266)

"Leaders have high expectations. They have created an inclusive and academic culture. Leaders ensure that all pupils, including pupils with special educational needs and/or disabilities (SEND), achieve well. Leaders help pupils prepare for next steps in their education. Pupils and sixth-form students leave school with the skills and knowledge they need to thrive.

Pupils' behaviour in lessons is calm and focused. They are eager to share their ideas and knowledge. The vast majority of pupils do not worry about bullying. If they had any concerns, they would report them to staff. Leaders are quick to respond to concerns. The 'LCS Way' helps to create a caring and purposeful culture.

Students in the sixth form experience a welcoming and respectful environment. One student said that attending the sixth form has helped them to develop their identity. Students value the support their

teachers provide and the sense of community they share with their peers.

Leaders provide pupils with personal development opportunities. These include the Duke of Edinburgh's Award scheme as well as sports, arts and music clubs. Some pupils access games club and craft club.

Students in the sixth form join in with enrichment activities. These include pottery classes, learning British Sign Language and a debating society.

Leaders are ambitious about what they want pupils to learn. Sequences of lessons cover a broad range of knowledge. Leaders have ensured that teachers know which knowledge to teach and in what order. This helps pupils to develop their understanding of the subjects they study. Sixth-form students are very knowledgeable and make connections between current and prior learning."
