*The results for Summer 2025 are measured differently to previous years. As students taking their GCSE results in Summer 2025 did not complete SATs at the end of Key Stage 2. Therefore, there is no Progress 8 score. Furthermore, target grades set at FFT20 were based on Cognitive Ability Tests completed upon entry in Year 7.

ENGLISH BACCALAUREATE

In 2025, 74% of students were entered for the English Baccalaureate.
